Brief Report:

Department of Geography organized the special issue for the Krantima Wallpaper on the occasion of World Water Day on 22nd March, 2023. The main objective of this program is to create awareness regarding the water conservation among the student and other stakeholders of the college. The students prepare the wall paper regarding the availability of water on the earth surface, use of the water, water crises, problems and prospects.

Prof. Dr. Jadhav K.R. introduced of the why this issue published by the department. He explains the water crises in the world and took review of the Padmbhushan Krantiveer Dr. Nagnath Anna Nayakawadi who worked to equal water distribution in the Krishna river basin.

Dr. S.A. Nayakawadi Principal inaugurated the Krantima wall paper on the Water Conservation topic with her auspicious hands. She expressed her view regarding the need of water conservation. Lastly Dr. R.M. Londhe expressed the vote of the thanks.
