Report on National Service Scheme (NSS) Trip

Date: 21st December 2023

Venue: Radhanagar Dam **Organizers:** National Service Scheme (NSS)

Aim of the Trip: The National Service Scheme (NSS) organized a trip to Radhanagar Dam with the primary objective of conducting a cleanliness drive in the area surrounding the dam. The trip aimed to promote environmental awareness and community service among the volunteers.

Participants:

- 50 NSS volunteers actively participated in the trip. These volunteers were from various departments and were committed to contributing to the community through their service.

Activities Undertaken:

1. **Cleanliness Drive:** Upon arrival at Radhanagar Dam, the NSS volunteers immediately began the cleanliness drive. They collected and disposed of litter, cleaned pathways, and cleared debris from the vicinity of the dam to improve the overall cleanliness of the area.
2. **Awareness Campaign:** Simultaneously, the volunteers conducted an awareness campaign among visitors and locals about the importance of maintaining cleanliness and preserving the natural beauty of Radhanagar Dam.
3. **Teamwork and Coordination:** The volunteers worked in teams, demonstrating excellent coordination and teamwork throughout the cleanliness drive. They were supervised and guided by NSS coordinators to ensure efficiency and thoroughness in their efforts.
4. **Interaction with Local Authorities:** During the activity, the volunteers had the opportunity to interact with local authorities and discuss environmental issues and initiatives. The Radhanagar Tahsildar appreciated the efforts of the NSS volunteers and provided encouragement for their community service initiatives.

Felicitation by Radhanagar Tahsildar:

- The highlight of the trip was the felicitation ceremony conducted by the Radhanagar Tahsildar. The Tahsildar acknowledged the hard work and dedication of the NSS volunteers in organizing the cleanliness drive. He emphasized the importance of such initiatives in maintaining cleanliness and promoting eco-friendly practices in public places like Radhanagar Dam.

Conclusion: The NSS trip to Radhanagar Dam on 21st December 2023 was a resounding success, achieving its objective of conducting a meaningful cleanliness drive with active participation from 50 dedicated volunteers. The event not only enhanced the cleanliness of the area but also raised awareness about environmental conservation and community responsibility. The felicitation by the Radhanagar Tahsildar served as a motivation for the volunteers to continue their efforts towards community service and environmental stewardship.

Outcome: The NSS trip left a positive impact on both the volunteers and the community, fostering a spirit of service and responsibility towards the environment. It is hoped that such initiatives will continue to inspire others to contribute to the betterment of society through similar community service activities.

Felicitation of NSS Program Officer Dr. J.P. Kamble by
Tahsildar -Radhanagar Dist- Kolhapur
