A Brief Report

Name of the Committee: Department of Geography

Name of the Activity: World Water Day

Date: 21/03/2025

Number of Students Participated: 06

Venue: Lecture Hall No. 205

Brief Report:

Department of Geography organized the special lecture to celebrate the world Water day on 21st March, 2025. The main objective of this program is to create the awareness about the importance of the water in human life as well as in environment.

Prof. Dr. Yadav P.D. introduced to resource person and welcomes all dignitaries on the dais and off the dais. He also cleared the main objective to organize this day. The resource person Dr. Jadhav K.R. presented his topic with the help of PPT and explained the importance of the water in human life. He also explained the present availability, utilization and problems of water in India. He explained the potential of water resources in India and various practices regarding the conservation of water in India.

In the presidential address Prof. Dr. Bhartbhushan Mali expressed his views regarding the importance of water in Indian economy. For the betterment of the future life he advised to conserve the water resources. At the end Kum. Sarika Mali expressed the vote of the thanks.
